Employed Within 6 Months 86%
Average Yearly Salary $46,360

BEYOND WITC

Bachelor's Degree
Lakeland University
UW Milwaukee
UW Oshkosh
UW Stout+

Important Notes on Transferring:

- The colleges listed above have developed an Associate Degree to Bachelor Degree Articulation Agreement with WITC (Colleges with a + have a direct transfer agreement related directly to the Information Technology (IT) Program; Other Bachelor Degree programs vary); other colleges may accept WITC credits upon a transcript review.

- The Transfer Information Systems (TIS) allows students to review which WITC courses could be accepted at UW Colleges. Review website for details: *www.wisconsin.edu/transfer*

- If interested in continuing your education or transferring credits to other colleges, it is encouraged you talk to the Transfer Coordinator or Advisor at your transfer school as soon as you start thinking about the process.

WISCONSIN INDIANHEAD TECHNICAL COLLEGE

*Tuition are not yet available for the 2018-2019 school year. If you have completed previous credits that transfer into the more advanced program, your costs may be less. Please speak with WITC staff if you have questions on how costs are determined. Tuition is an estimate and does not include any miscellaneous fees for various courses, tools, books, supplies or uniforms. Program book costs are in addition to tuition and fees and vary depending on course selection and where the books are purchased or rented.

**Wage and employment data is compiled from the 2017 WITC or 2016 Wisconsin Technical Collge System (WTCS) Graduate Follow-Up Report; if not available, wage data is derived from the wage data compiled through Economic modeling software int'l (Emsi) based on the WITC county region and the SOC codes assigned through the WTCS. The wage data presented is a range from the 10th and 25th percentile earnings in December 2017 and may include the lowest wage level from the WITC or WTCS Graduate Follow-Up Report parent programs. Educational decisions should not be entirely based on the wage data presented as wages are subject to error and sampling bias. Some people may be hired at a lower or higher starting wage than what is reported here. Annual salaries, from Emsi data, are based on a 40 hour work week over 52 weeks (2080 hours).

IT - Systems Administration Specialist Pathway

PATHWAYS TO WITC:

START COLLEGE IN HIGH SCHOOL
Take dual credit or advanced standing courses in high school. To find out what courses are available at your high school, go to: WITC .EDU and enter "Dual Credit" in the search buttom.
